

# EXPAND

## Your Students' Minds!

Discover how Canobie Lake Park makes your students' group outing the best interactive, educational experience ever!

May 18  
&  
May 25

**PHYSICS DAY** High school students have a blast watching exciting physics experiments & demonstrations. Your students will gain a broader understanding of how physics principles are applied to Canobie's most thrilling rides! And be sure not to miss **The Gravity of It All**, presented by the McAuliffe-Shepard Discovery Center!

May 18  
thru  
June 22

Your students can participate in an exciting learning experience with a variety of scientific demonstrations taking place daily at our Midway Stage.

May 18  
thru  
June 22

### A Wild Educational Show!

Students will be fascinated by this really wild show that will teach them about a variety of wild creatures, including snakes, exotic birds, a kangaroo and more!

May 18  
&  
May 25

The McAuliffe-Shepard Discovery Center presents:

### THE GRAVITY OF IT ALL

What do you have to do to escape the pull of gravity? How does gravity produce the weightlessness the astronauts experience in space? What does gravity have to do with Black Holes and time travel? Discover the answers to these questions and more in this fascinating "out-of-this-world" presentation.

May 30

### THE INTERACTIVE CLASSROOM

The Interactive Classroom teaches middle school students basic scientific principles in an amusement park setting. Move your science lesson outdoors this spring and join us for a great day of fun & learning! You also don't want to miss the exciting **"Is the Pressure Getting to You?" Show**, presented by the McAuliffe-Shepard Discovery Center.

May 30

### "IS THE PRESSURE GETTING TO YOU?" SHOW

Come and learn about the different ways gas pressure affects the Earth. This show will demonstrate the gas pressure on Earth created by different means using a variety of interactive techniques to get the audience involved!

ANYTIME

### ELEMENTS of FUN

This versatile program is made up of language arts, math & science modules for students in grades 4-7. Using the workbook provided, teachers can develop pre- and post-visit lessons. **ELEMENTS of FUN** can be used any day you choose! **WORKBOOKS\*** for **PHYSICS DAY**, **THE INTERACTIVE CLASSROOM** or **ELEMENTS of FUN** will be available online in the spring at [www.canobie.com](http://www.canobie.com).

\*If students cannot attend specific dates, teachers can obtain workbooks with many of the same activities at no additional cost.

### ALL DAY PASSES

Good for Unlimited Rides & Scheduled Shows

Children age 3 & under are **FREE**

**Educational Activities for All Grade Levels**

**High School: PHYSICS DAY** (May 18 & 25)

**Middle School: THE INTERACTIVE CLASSROOM** (May 30)

## PLANNING YOUR TRIP

**REGISTRATION:** Groups, regardless of the size or outing date, must either register online or send in the attached registration card. Upon arrival at the Park, your Group Leader must sign in with the final head count.

**PAYMENT:** Group Leaders may pay by cash, bank check, money order, organization check (full contact info and ID required) or VISA/MC/Amex. For complete payment options and procedures, visit us online at [www.canobie.com/groups](http://www.canobie.com/groups).

**CHAPERONES:** Monday - Friday only, excluding holidays. One Chaperone is free per 10 group passes purchased by a registered group which brings over 25 students. Extra chaperones must purchase passes. For full chaperone policy, visit: [www.canobie.com/groupfaq.php](http://www.canobie.com/groupfaq.php).

**FOOD:** Food is not to be brought into the Park. However, students on school sponsored field trips may carry their own personal lunch. Groups may also purchase **Food Vouchers**. For more information see [www.canobie.com/groupinfo.php](http://www.canobie.com/groupinfo.php).
