Canobie Lake Park Celebrates Independence Day With Three Days of Fireworks

SALEM, NH – Canobie Lake Park is open every day and people are enjoying everything from Canobie’s Xtreme Frisbee ride to the ever-popular Castaway Island water play complex, to a new line-up of live entertainment. And, of course, it wouldn’t be summer at Canobie Lake Park without spectacular fireworks displays.

To celebrate the Independence Day weekend, Canobie Lake Park ratchets up the fireworks quotient with three spectacular nights of fireworks over beautiful Canobie Lake on July 3rd, 4th and 5th if the weather cooperates.

“We always try to add a few new surprises each year,” says Chris Nicoli, Canobie’s Marketing Manager. “The fireworks are always well done and are now choreographed to a specially-selected music track. It’s pretty amazing and something the whole family will enjoy.” Fireworks displays will also be held at the Park every Saturday night through the end of August.

One low admission price to Canobie Lake Park includes all rides and shows all day, and there are reduced evening rates. To make it an even better value, Canobie Lake Park discount admission coupons are now available at participating McDonald’s®, Market Basket®, Tedeschi® Food Shops, Store 24®, and Rite Aid® locations all over New England while supplies last. For more information, visit Canobie’s web site at canobie.com.
