### Live Shows at Canobie Lake Park Are Raising the “Roof”

SALEM, NH – You know a show is good when it’s obvious that the actors love what they do. You can tell by the wagging tails. And audiences experiencing *JUMP! The Ultimate Dog Show* at Canobie Lake Park’s Dancehall Theater are showing their love in return.

With daily performances through Labor Day, except Tuesdays, JUMP! is an action-packed, interactive show that features a group of talented dog-athletes who live to catch Frisbees and, well, jump. Sections of the audience root for their respective teams in exciting nose-to-nose competition, with booming stadium-style music setting the pace. These talented canines have appeared on the *Tonight Show with Jay Leno*, the *Late Show with David Letterman*, and on the Animal Planet TV network.

“This show is really fun and the audience gets into the action,” says Chris Nicoli, Canobie Lake Park’s Marketing Manager. “The handlers also emphasize the importance of pet adoption since most of the performing dogs have been rescued from various shelters throughout the country.”

Walk by Canobie’s Midway Stage this summer, and you’ll hear groups of children and their parents shouting, “Can we build it™? Yes we can!” They’re responding to Bob the Builder™ and his Canobie Crew. Based on the award-winning and popular PBS TV series, *Bob the Builder LIVE! at Canobie Lake Park* demonstrates the power of positive thinking, problem solving, teamwork and follow-through. From start to finish, the team always shows that “The Fun Is In Getting It Done!”

You’ll find plenty of other live entertainment choices at Canobie Lake Park all summer long. *Lyrrix*, Canobie’s own original boy band, is wowing fans on the Midway Stage three times daily, and the high-energy blues of *Soul Man* rocks out three times daily on Canobie’s Village Stage.

There’s much more, too. Canobie Lake Park is a nearby, gas-friendly family entertainment destination. For hours and more information on all live shows and special events, visit [canobie.com](http://canobie.com).
